- Additional costs may apply if extended time is needed on job site

\*All non- contract prices are for 12 zone or less systems – there is an additional \$10.00 per zone for larger systems.

\* All prices include first 30 mins. labor

**Outside of our service Area-** Our service area includes from our office to the state line to the west, to US 231 to the south, to I-65 to the east and the lakefront to the north. For customers outside of our immediate service area an addition of \$10.00 will be charged to help offset the fuel and travel cost.

**ALL PAYMENTS DUE AT TIME OF SERVICE, NO EXCEPTIONS** – We apologize as this may be an inconvenience to a few long time customers. Unfortunately we have seen a large increase in outstanding invoices due from people not wanting or able to pay on time. This costs the company money and increases our costs. In an effort to keep our prices to you the customer as low as possible, all service payments are due at time of service. For your convenience you may pay your service technician by cash, check, or any major credit card.

Annual service agreement charges are due in advance of service. Payment and signed contract must be received by June 1, 2017 to receive contract benefits. Account services that are past due will not receive contract discounts. A late charge of 2%, per month, on invoices over 30 days late.

Please fill out and return **THIS PAGE ONLY**, with payment enclosed, to 441 W. Main Street Schererville, In 46375.

Dear Most Valued Customer,

I'd like to take this time to introduce myself. My name is Drew Thomas, I am the President and founder of Thomas Irrigation, Inc. I'm writing to you today just to express how much you mean to this company as a customer. We have been serving the Northwest Indiana community for 25 years now and that would not be possible without our loyal customer base. I work very hard to keep our costs low so that we can offer you the absolute best price in the industry. We pride ourselves in the quality of our work. I believe our irrigation work would top any other companies in the country. We really try to focus on you, the customer. Our service technicians will always take the time needed to make sure the quality of work is up to not only our standards, but also yours. They will also answer any question you ever have about your system.

I've attached a copy of our 2018 Irrigation Service Contract for you to look over, fill out and return. If you have any questions, please just call the office. We'll be more than answer any questions, comments or concerns you may have.

Thank you, see you in the Spring!

Drew Thomas
